Financial Policy

- On your behalf, Fall General Surgery, LLC will bill your primary and secondary insurance plans if you provide us with this information.
- You are ultimately responsible for payment of all charges if your insurance does not pay.
- If you are not insured, a payment of 50% of the procedure is expected prior to service. A payment plan for the remainder will be determined at that time.
- If you are unable to pay your bill within one billing cycle, contact our billing office at 715-685-0656 to set up a payment plan or to discuss other arrangements. A 1.5% late fee will be charged to your account unless a payment is received or a payment plan is established.
- Please be aware co-payments are expected at the time of service.
- Payments can be made at our clinic or by mail. Cash, check and all major credit cards are accepted.
- If you pay by mail, please include your patient account number on the front of the check, insert the stub from your statement and send the payment to our billing office:
